Re: *John Doe v. Princeton University*, Case No. 3:20-cv-04352-MAS-RLS

Dear Judge Shipp:

On November 20, 2023, Princeton submitted a Motion for Leave to File a Sur-Reply Brief in further opposition to Doe's Objection to Magistrate Judge Singh's Order Denying Doe's Motion to Compel and Motion for Protective Order. ECF No. 142. The sur-reply brief cited Doe's deposition testimony regarding his treatment by healthcare practitioners and attached as an exhibit an excerpt of the rough transcript of his deposition. ECF No. 143 at 1.

As indicated in the sur-reply brief, Princeton is now supplementing its filing with an excerpt of the same testimony from Doe's final deposition transcript. The transcript of Doe's deposition was received on November 29, 2023, no errata was served, and so the transcript became final on December 29, 2023 pursuant to Federal Rule of Civil Procedure 30(e). In the final transcript, there were no material changes to the substance of the testimony cited in Princeton's sur-reply brief. Because Doe designated the entire transcript of his deposition Attorneys' Eyes Only under the Discovery Confidentiality Order, ECF No. 106, Princeton is filing the cited excerpt of Doe's final deposition transcript, Exhibit 1, under seal.

Judge Michael A. Shipp
